Growth for your business means emotional growth for our clients!

As a not-for-profit organization, Niagara Life Centre (NLC) is financially sustained through private donors, churches, donations from ongoing fundraising efforts and businesses like yours. One hundred percent of our donations are used for programming and group services, unless otherwise specified.

Whether you choose to be a Business Sponsor through funding or services-in-kind, we have a promotional plan for you! We can help you reach diverse audiences of thousands in Niagara who believe in the work of NLC and who support our Business Sponsors.

We are a well-respected and visible Christian organization. We welcome everyone in need of counselling regardless of race, religion, sexual orientation, gender or financial background. Motivated by Jesus Christ's love for everyone, we work to ensure that individuals and families get the help they deserve in order to live happy, productive lives.

*In 2016, NLC staff and supporters met to develop a 5-year Strategic Growth Plan for the ministry, **Vision 2021**. Since that time, so much and more has been achieved:*

- We've moved to 65 Lakeshore Rd in St. Catharines where clients access to our services has dramatically improved*
- The NLC Board continues to increase counselling hours*
- The new community kitchen space in our building allows for more group counselling sessions, and opportunities for support and connection*
- NLC continues to provide compassionate and professional care through Help, Hope, and Healing*

Niagara Life Centre is impacting the community in exciting ways. We continue to stretch towards our goal of serving nearly 1,300 children, individuals and families through both individual and group counselling.

NLC Fundraising Events

Come See What's Growing

Held in the spring, the greenhouse community invites the public to come see the beautifully locally grown cut flowers, potted plants, and vegetables. Participants learn about the floral culture and its intention to share hope and connections through the gift of growing. This event is promoted through social media, our Spring newsletter, flyers, posters, radio ads, and our website. **Due to the impact of the pandemic, this event will hope to return for Spring 2023*

Walk & Run for NLC

This event is held each year in April. It's a fun-filled family event; an action-packed morning of a 5K Walk-a-thon, and 1K & 5K timed runs. Prizes are awarded to top runners and for top pledges collected. Promotions for this event reach well over 10,000 people in Niagara through our Spring Newsletter, brochures, posters, social media and our website

"Change is Good" Coin Campaign

Our Annual Rolling Campaign kicks off on Family Day in February and runs though the fall. In 2020 we launched our Virtual Coin Campaign that gives you the option of giving on-line through our "Virtual Hope Canister" as well as with our traditional coin canisters. Coin canisters are distributed to churches, businesses, families and individuals in St. Catharines and surrounding areas. Campaign materials drive participants to our website where your logo is displayed.

Annual Fundraising Banquet & Silent Auction

Powerful testimonies of the changed lives of our clients are a highlight at our Annual Banquet held each Fall. The evening includes a delicious meal, testimonies, silent auction and an update on how this ministry is impacting our community.

There are opportunities to host, sponsor a table or join us as a guest. Promotions include personalized letters, event listings, print and radio media, social media, church promotions, direct mailings, and a feature in our Fall newsletter that reaches over 5,000 NLC donors & supporters.
