GROWTH FOR YOUR BUSINESS MEANS EMOTIONAL GROWTH FOR OUR COMMUNITY!

As a not-for-profit organization, Niagara Life Centre (NLC) is financially sustained through private donors, churches, ongoing fundraising efforts, and businesses like yours. One hundred percent of our donations are used for programming and group services, unless otherwise specified.

When you choose to become a Business Sponsor through funding or services-in-kind, we have a promotional plan for you! You will reach diverse audiences of thousands in Niagara who believe in the work of NLC.

We are a well-respected and vibrant Christian organization. We welcome everyone in need of counselling regardless of race, religion, sexual orientation, age, or financial background. Motivated by Jesus Christ's love for everyone, we work to ensure that individuals and families get the help they deserve in order to live happy, productive lives.

*Niagara Life Centre is impacting the community in exciting ways! In 2022 staff and supporters gathered to develop a new 5-year Strategic Growth Plan for the ministry, **Vision 2026**. We are excited for this next phase of growth for NLC as we have seen dramatic improvement in client accessibility since our move to 65 Lakeshore Road. We now have the opportunity to increase counselling hours, launch a new crisis hotline, and open our newly renovated community kitchen space for a variety of programs, group counselling sessions, and opportunities for support and connection. As we begin our next 5 year plan we continue to stretch towards our goal of serving children, individuals, and families through both individual and group counselling.*

Please consider partnering with us so that together we can continue to offer help, hope, and healing to our community!
